Dear Candidate,

Campaign Life Coalition Alberta is conducting a survey of all candidates contesting the provincial election. Our mandate is to inform voters on where the candidates stand on life issues.

We are glad to do this, but we cannot do so without your help.

Since these issues are of great concern to voters in your constituency, please take the time to respond to our questionnaire. We will be happy to help you with any questions you may have. A Campaign Life Coalition representative will be following up either in person or by telephone.

The candidates' responses to this questionnaire will be posted on www.lifesite.net

Our democracy works best when the electorate is well informed. We invite you to help us in giving Albertans clear choices on election day, November 22nd.

Sincerely,

Tim Murawsky,
Campaign Life Coalition Alberta

P.S. Our deadline is November 17th, so please reply by 5 p.m. on that day as indicated on the questionnaire.
